Superintendent's Highlights

With the assistance of our Quality Schools Committee, (QSC) made up of parents, teachers, and administrators, our district has made significant strides in teaching and student achievement. Meeting periodically throughout the year, the QSC identified and implemented areas of focus for teacher in-service and student programs.

The Albertson Foundation initiative TOBI along with the SIOP program has provided a tremendous amount of teacher and principal training. In addition, specific focus on skills development and remediation were issues aimed at non-proficient students.

Finally, we continue to improve and develop our facilities in all schools.

Progress Towards Meeting District Goals

2003-04 Goals

Progress

Student Achievement and Activities: Maintain and improve the curriculum instruction and assessment process.

With the assistance of teachers and staff, the district reviewed the mathematics program to be adopted for the coming year.

Additional professional development opportunities were provided for staff at all levels in science, math and reading/language arts for innovative methods to reach students.

End of course assessments have been developed and administered for several secondary classes to determine classroom specific proficiencies.

Particular attention continues to be given to assist our significant LEP population.

The SIOP professional development for trainers was completed.

The district continues to upgrade existing buildings following the completion of the new High School last year.

Develop a long-range facility development plan. Preventative maintenance program and upgrade existing buildings and facilities.
